

New containers Basel

TITAN has at present new 20' & 40' standard containers available for sale ex depot Basel.

These 1 trip containers are blue RAL 5010 and have been used with cargo from China to Basel.

TITAN offer a wide range of new container types including:

- 20' & 40' HiCube**
- 20' & 40' containers with doors in both ends**
- 20' & 40' reefer containers with TK Magnum machinery**
- 20' full side access containers**

We also sell used containers of all types for storage and shipping purposes.

Whatever your container requirements, contacting TITAN Containers just might be the answer.
